

HELP KEEP A KID IN THIS SEAT!

Temple Beth Emet will not deny any child a Jewish education due to financial need, nor is anyone turned away from Temple Beth Emet due to lack of ability to pay membership fees.

That has always been a key precept of our Temple family. We have only been able to uphold that value because of the financial support received from members of the Temple Family.

Every year, we have families who are unable to pay some or all of their child's religious school tuition. Please help assure that every child has the opportunity to learn and develop their Jewish identity.

A scholarship donation of any size will help Temple Beth Emet continue our tradition of offering a Jewish education to any child regardless of financial circumstances. Recipients of scholarship support will remain anonymous, but your contribution will be acknowledged in the Chai Times unless you indicate otherwise.

You may pledge support by completing and returning the form below, calling, or emailing the office. You may also send your contribution directly to the Temple.
