"The Temple With A Heart"

"My heart is in the east, and I in the uttermost west."

Judah Ha Levi (Medieval Jewish poet)

I have been to Israel 6 times. The time in country varies from 1 year to 10 days, but each trip has filled me with joy, awe, sadness and just a little bit more about who I am as Jew and as an American.

It is very hard to pick out which event in all those trips stands out as the most important, as I was first there a mere 3 years after the six-day war ended, and as recently as 15 months after 9/11, but two events stand out tonight for me. One is very public and goes to the heart of the State of Israel and people of Israel relations.

In 1976, I took a group of teenagers to Israel. Our first week there was the week after the Air France Jet was hijacked to Entebbe, Uganda. During that week, the news became more and bleaker, as it looked like the Jewish passengers were doomed to execution at the hands of international terrorists.

Lo and behold, I was awakened on the morning of July 4th, to the voice of our house mother yelling that the hostages had been rescued and were on their way home to Israel. In addition to it being America's Bi-Centennial, which made all of us Americans very proud, it sent a message to the whole world that, whenever Jews are in trouble, Israel would go and rescue them. I like to think of that daring rescue as the little brother (Israel) gifting the big brother (America) with something very American, rescuing people in need. Or as Prime Minister Rabin, z"L, stated it to President Ford, "You don't think we picked the day by accident, do you?"

PRESIDENT'S MESSAGE - August 2015

August is always an interesting month here at Temple Beth Emet. Here we are, in the middle of the “lazy, crazy, hazy days of summer.” Religious school is out, people are out of town so Friday Shabbat services are sparsely attended, and things are generally pretty quiet.

Suddenly, we have to start getting ready for open houses, school registration, and High Holidays! This year, of course, will be the first year we prepare for the High Holidays without our beloved Jerry Engelberg, who passed away right before the holidays last year. Jerry spent many years fine tuning the High Holiday preparation process, including the mechanicals of moving things over to St. Jude's, setting up things there, getting things out of their way between Rosh Hashanah and Yom Kippur, and moving everything back. His work lives on through those of us who spent years under his tutorage and those who we now tutor. We look forward to a great High Holiday season as our service continues to evolve. Who do you know who does not have a place to go these High Holidays? Why not invite them to join you to spend the holidays with us?

Later this month we honor Shirley Abramson at TBE's first *Eshet Chiyil - Woman of Valor* recipient. We honor Shirley not only for her service to the Temple, but also for the example she sets as a Jewish woman, including her decision to become bat mitzvah along with two of her adult children. The dinner event honoring Shirley is August 16.

There are still concerts left in our Summer Concert series at the Hollywood Bowl and I hope you take the opportunity to enjoy one of the world's great music venues.

Our efforts at establishing a preschool on our campus continue, as we prepare classrooms for double duty (religious school on Sunday, preschool during the week), create a play yard in our patio, create an office for the director, and take care of the remaining paperwork. We look forward to final inspections and the issuance of a license, at which time we can start promoting the school and enrolling students.

August is always a special month, and this is a special August for my family. Thirty-five years ago this month I married my best friend, Diane. As with any couple, our lives have had plenty of ups and downs, but we have celebrated the ups and held on to each other during the downs, and as Garrison Keillor wrote (or at least titled,) “we are still married.” Last month we went to Chicago for our nephew's wedding. When he said he was marrying his best friend, Diane and I gave each other a knowing look. We knew they would do alright.

Enjoy the rest of your summer!

-- IRA L. GOLDSTEIN, President

Rabbi Mark Sobel's Column, continued

In 1988, I had just begun learning with Reb Zalman Schachter- Shalomi at P'nei Or and he said, while you are in Jerusalem, you must stay at the Kotel overnight. I did so and it was and is a beautiful memory. The next morning was Thursday, so the Torah was being read there and it was quite crowded. Two women came over to me in the Men's section, highly unusual, and asked for a blessing. I told them my name and they gave me a blessing, but immediately asked for my mother's name for a blessing of long life.

Without thinking, my mother had been dead already for almost 5 years, I told them my mother's name and they repeated the blessing of life they had given me. I said, "Thank you" and turned to the Torah service. Immediately, I realized, their blessing was 'betul' (in vain) and turned to tell them so. I looked and looked for them but they had disappeared. There was a great crowd of people and no way could they have gotten away so fast. As I thought over what had happened, I realized that the two women were in fact angels and that their blessing was to tell me that my mother had found a new life and was happy. That thought, of course, made me overjoyed. Even today 27 years later, it still warms my heart.

Israel means many things to many people. If you fill a room with different individuals, I know each will relate how Israel has moved them. Israel has spoken to the world about its love for the Jewish people, not just through the Entebbe Rescue but through the many secret "ingathering" of exiles, saving them from certain death and destruction. Also, it has given individual spiritual comfort to those in need.

However one is affected by Israel, one is never the same. It truly touches our souls. So to Israel, now 67 years young, we say thank you for what you have done for us here in America and throughout the world. May our congregation be together, "Next Year in Jerusalem," seeing, hearing, touching and feeling Israel. And may our feelings toward Israel continue to grow in abundance, and truly let us help her to live the life she was meant to live, as a light unto the nations. Join us in January 2016 as we travel to Israel together.

B'ahava,

Rabbi Mark

Attention: To all those interested in a trip to Israel. . . Our trip has been scheduled for **January 21, 2016**. A Word About the TBE Collegiate Program

Do You Have a Son and/or Daughter In College?

Temple Beth Emet has started a program to connect with our students attending a College. We would like to help them to continue their Jewish way of life and offer them additional support. This way, they will always have an open line of communication with our Rabbi, should they have questions or need direction; and we will remind them of their link to Israel and to keep connected to the Jewish Community. After college, we hope to have them join our Temple, as an adult.

Please send e-mail and give me the following information:

The name of the Student;

Class Level;

Address;

Name of the University, and;

If the Student is a member of any organization or club on campus.

The Temple will send a care-package for each holiday, as a gift to the Student with a calendar of events at the Temple for each month. The Student will be invited to all events sponsored by the Temple. We would like to encourage the Student to return to the Temple as often as they wish; as the Temple would like to offer itself as a second home and place of Jewish learning. I look forward hearing from you!

SISTERHOOD SIDELINES – AUGUST 2015

Sisterhood has a new President! Cathy Zitnick has been nominated, elected and installed. Her first meeting was held in Coral Café where we enjoyed a delicious breakfast and Cathy laid out her plans.

Second meeting was in Blum Hall and we started to work on the new plans.

Cathy is going to write a monthly letter to the congregation in the Chai Times, so be sure to look for it and you will be kept up to date about what is going on and how you can help.

I can tell you one very important way you can help. That is by joining Sisterhood and paying your dues of \$15 per year. That money (dues) is what we use to provide events and activities. These events and activities generate more money which we happily donate to Temple.

We need active members who will attend meetings and pay dues and we also want and need "book members" (dues only)..

Once upon a time TBE Sisterhood flourished. But little by little it dwindled and finally dissolved. A new group tried to fill in but it never worked out.

WELL -- Shirley Abramson to the rescue! Somehow she was convinced to try to start it up again. And so, she did and we did. With lots of hard work Shirley got it going. Shirley has done many, many kind things for Temple, for Family Promise and for people in general. She regularly sets up and cleans up at Oneg Shabbats and is a "regular" at the sink where she washes dishes.

Shirley and her adult sons were Bat/Bar Mitzvah'd together. Then they went to Israel together. They came back inspired and more devoted to Judaism than ever. It was heartening to see..

Truly, a Woman of Valor, Shirley is being honored at a dinner on March 16th in Blum Hall at 5pm. I wouldn't miss the opportunity to honor Shirley, our Eshet Chiyil. I hope to see all of you there too.

**No Sisterhood meeting in
September.**

**Our next meeting: October
4th, 10am in Blum Hall.**

Shalom,

Ruth Glick

A Message From Our New Sisterhood President, Cathy Zitnick

SISTERHOOD MESSAGE FOR AUGUST 2015

Dear Members:

I am your new President of the Temple Sisterhood. After only a year as a member, I am very surprised and proud to have been nominated to represent and lead the women of the Temple for the coming year. I was nominated at the June meeting and installed at the July meeting, which we held at the Coral Café in Burbank. Unfortunately, many Sisterhood members had a funeral to attend at the time, so we didn't have as large a group as I was anticipating. Shirley Abramson will remain active as Vice President (and my right arm), Iris Abrams will remain Treasurer, Hannah Cline will remain Secretary, and Ruth Glick will continue to write the Sidelines column for the Chai Times. I couldn't ask for a nicer group of ladies, who truly have the Temple and the Sisterhood at heart. I am now aware that the Temple's finances are not what they should be, so I am trying to dedicate my term to fundraising. I want to apologize for not sending out an email regarding the August 2nd meeting. Just a few of us attended, but it was a lively and creative meeting, to be sure. I will rectify the oversight by sending out a monthly reminder as to when the next meeting will occur.

The Sisterhood is having their first fundraiser, in my term, at Shakey's in North Hollywood, on August 3rd from 6:00 PM to 9:00 PM, and we hope it is a profitable one. I would like to encourage you all to attend the first "Woman of Valor, 2015" dinner the Temple is hosting to honor Shirley Abramson. This will be on August 16th at 5:00 PM.

Labor Day weekend is the first weekend in September. The weekend following is Rosh Hashanah, and the weekend after that is the Men's Club Brunch; which falls between Rosh Hashanah and Yom Kippur. I would like to encourage everyone to support the Men's Club, as you all have supported the Sisterhood. So, due to the upcoming High Holy Days and Men's Club Brunch, as well as the beginning of Religious School, we will not be having a Sisterhood meeting in September. The Sisterhood will be selling honey gift boxes again for Rosh Hashanah, and we would like to encourage you to purchase one or more to spread sweetness and to strengthen our own Sisterhood.

In conclusion, I would like to thank my friend, Hannah Cline, for bringing me as a guest to the Temple last year. You all have been so friendly and kind. The Temple congregation has made me feel as though I can consider the Temple my second home. I grew up in a Christian-Republican town and the only holidays I had off were Christian. Also, for many years I worked for a major movie studio and the only time I was off to vacation was the mandatory December 23rd through the first Monday in January. I longed to be able to take off for Rosh Hashanah and Passover, as well as to be able to afford a membership to a Temple. I am very grateful that I am now able to take vacations when I choose, and I want to thank Barbara Bolter for making my dream of Temple Membership come true. This New Year, I will be experiencing *Teshuvah*, the returning to my true self, an American Jewish person who will get the opportunity to live the Jewish life that I have longed to live for some time. I want to thank you all for that.

Cathy Zitnick

LET'S TURN OUR POCKET CHANGE INTO REAL CHANGE!

Who is Just5Club? J5 is a nonprofit organization helping those who are silently struggling financially. In November of 2013, six young professionals came up with a simple idea; a concept that beautifully ties the act of giving with uniting individuals from all corners of the world. At J5, we believe in the power of unity, where each individual has the power to make a difference. When people are united with one common goal in mind, even the smallest amount can make a significant impact in the world we live in today.

Here's how it works, it's easy!

1. Log on to www.j5club.org
2. Sign up to become a Just5 member with your credit card
3. Each month, your credit card is charged JUST \$5.
4. At the end of every month, all the money is gathered and donated to a family or individual in need of financial assistance. Whether it's an emergency of being evicted from one's home or payment for medical bills, such as cancer treatment, J5 is there to help!

Make a donation of a pack of paper towels for our kitchen or bathrooms, or bathroom tissue, a case of grape juice, a bottle of dishwashing liquid, a case of copy paper, or some of the other things we use at Temple!

You'll be helping the Temple and saving someone from making an extra trip.
