*"The Temple With A Heart"*

**"Go Up to a land flowing with milk and honey. . ." Exodus 33:3**

On January 14th, we left for Israel. I am sure all 14 of us will have stories to tell about Israel, the people, the places and the trip, but I want to talk about the group who went. No names but I am sure you will know who I am speaking about

During this past year has, as Jim Mattis, Z"L, would put it, the Angel of Death has not been kind to us. Not to our congregation, but also not kind to San Bernardino or Paris or Israel. In fact, when we started making arrangements for the trip to Israel, several members, all ladies, expressed concerns over safety. Richard Eisenberg, our tour contact, and I had many discussions over whether to come or postpone. The comment that touched each of us was when he said, "If the violence is so bad that people are staying in their hotels and not going from their rooms to see Jerusalem (for example), I am going to cancel the tour."

Once the group, 2 to 1 made up of women, heard that, they were relieved, NO, eager to go. One participant's only concern was that she would slow up the group and keep them from seeing everything. We told her, we are a unit. We go together and if we go a little slower, more to concentrate on seeing. Really, how many of us lose sight of the beauty of the small in our haste to see the grandiose. To me that is not a grand thing to do. Another member of the group said this was on her "Bucket List" and she

### PRESIDENT'S MESSAGE - February 2016

What are you going to do with all your extra time this year? Not only do we get an extra day this month, but we also get an extra month on the Jewish calendar. Adar I is added to the calendar, and Adar I starts in February. This month is therefore a double leap month!

Leap years are not really rare. A leap year occurs on the civil calendar every four years (with certain rare exceptions.) A Jewish leap year occurs 7 times in a 19 year cycle. But how often do they coincide?

If we were only getting an extra day, filling the time catching up chores, but who wants to spend their extra month doing things they have to do? Why not do something you want to do?

How about seeing a show? *Fiddler on the Roof* is playing at the El Portal Theater in North Hollywood, and tickets are available at a special price thanks to the Sisterhood and the show's producer, our own Ron Kurtz.

Like pizza? Why not take in our monthly Pizza Dinner and Family Service on February 5? This first-Friday-of-the-month event has become our most well-attended Shabbat.

How about exploring the mystical aspect of Judaism? Rabbi Mark's Adult Education series on Kabbalah continues on February 9. The subject will be angels, and it should be heavenly.

Have you ever wondered how *Hava Nagila* became mandatory at bnei mitzvahs and weddings? The Sisterhood will reveal all on February 20, and as with any Jewish event, there will be food.

Do you like to curl up with a good book? Our new book club will meet on February 23, and there is still time to read *The Hare With Amber Eyes* by Edmund de Waal. It is the story about one of the most influential families in Europe. Fran Bourne-Johnson will lead the discussion.

Maybe this extra time is the right time for you to sponsor an Oneg Shabbat, or maybe you can spend an hour or so shopping for an oneg. Laura Soroka, our Oneg Shabbat Coordinator would love to hear from you.

If you think that I am making all of these suggestions as a ploy to get you more involved in Temple life, you are right, I am. I really enjoy being active at Temple Beth Emet and I really love the people here, and I want you to as well.

But maybe you just want some peace and quiet, and that is alright too. Jewish wisdom frowns on wasting time. The sages, in Pirkei Avot say, "The day is short, and we have a lot of work to do," but there is also a concept of meaningful rest. That includes refreshing yourself by engaging in a creative task, taking a walk and observing your surroundings, a trip to a museum, maybe a little binge-watching television.

So yes, there are a lot of worthwhile ways to spend your extra leap-year time that do not involve even stepping foot in Temple, but come on, you have an extra day in February and an entire extra month of Adar, so surely you can spend a little of that extra time with your Temple family! We will be looking forward to seeing you.

-- IRA L. GOLDSTEIN, President

(Continued from page 1)

would be “darned” if a little terrorist would stand in the way of her dreams. Another took to learning Hebrew with an app (application) on her phone. I didn’t have the heart to tell her that after 26 years of British occupation, most Israelis would rather practice their English on Americans than help us speak Hebrew. Oh well. Another couple in the group were newly married and this was their honeymoon. They decided to come with us because another group member told the couple how caring we are. In fact, the name of the tour is “TBE of Burbank, The Temple With A Heart Israel Trip.”

As rabbi and co-leader of the trip, I received some pretty interesting emails about Israel, the tour itself, the accommodations and medical situations. We found out answers and, as soon as we shared them it seemed, the fear dissipated.

This month the world celebrates Valentine’s Day, a holiday dedicated to love. The group I led to Israel, showed love in the most basic manner, with courage, with determination and their love for the land of our people, serves as a beacon for the rest of to do what we should. If we want to give those who would destroy Israel victory, don’t come with us the next time. But, if we want to defeat those same villains, keep signing up to go to Israel. Our young people have the Birthright Program. Maybe we need to organize a middle age trip to Israel, so more will go. We could call it “Birth Tight,” for all the muscle spasms we will get, but it will be worth it. In recent months, different tour groups have cancelled out. I must reiterate, not our group! From that first reassurance, our ladies never looked over their shoulders or back. It was forward ahead and let us absorb all that Israel has to offer. And the stories we will tell you!!!!

B’ahava,

Rabbi Mark

### Do You Have a Son and/or Daughter In College?

Temple Beth Emet has started a program to connect with our students attending a College. We would like to help them to continue their Jewish way of life and offer them additional support. This way, they will always have an open line of communication with our Rabbi, should they have questions or need direction; and we will remind them of their link to Israel and to keep connected to the Jewish Community. After college, we hope to have them join our Temple, as an adult.

Please send e-mail and give me the following information: **The name of the Student;**

**Class Level;**

**Address;**

**Name of the University, and;**

**If the Student is a member of any organization or club on campus.**

The Temple will send a care-package for each holiday, as a gift to the Student with a calendar of events at the Temple for each month. The Student will be invited to all events sponsored by the Temple. We would like to encourage the Student to return to the Temple as often as they wish; as the Temple would like to offer itself as a second home and place of Jewish learning. I look forward hearing from you!

Thank you,

## SISTERHOOD MESSAGE FOR FEBRUARY 2016

Dear Members:

Our first meeting of the year started out with lots of fun. Due to the Temple being closed, we all met at Coral Café in Burbank and had a nice breakfast meeting. We all had lots of input on events, past and present, and had a wonderful chat for two and half hours that day.

The Sisterhood decided to keep up the tradition of a Boutique (booths of hand-made items)/Bazaar (booths of Garage Sale items) with a tentative date of **May 1, 2016**. The Sisterhood would also like to schedule a food truck, so that people can eat while they shop. This is intended to be a fundraiser that everyone can enjoy. So, if you would like to sell something that you have made, or if you are looking to offer items for sale that you have kept in storage and are not using, now is a good time to start planning on bringing it to the Temple to sell. I will, of course, keep everyone updated on the particulars.

The Sisterhood also decided that we would offer an "Evening of Fun" with an hors d'oeuvre of cheese served with wine, followed by a presentation of a movie. They decided on next month, on February 20th at 8:00 PM. The movie is called: "**Hava Nagila.**" There will be a suggested donation, for the "Evening of Fun," for which the particulars will be on the One-Call in February. It's going to be lots of fun and I am looking forward to seeing you all there.

The Sisterhood decided to sponsor Purim Dinner again this year with, of course, our annual costume contest. It was decided that the evening of Purim On Wednesday, March 23<sup>rd</sup> would be the date for the dinner and contest. It makes for a complete night of dinner, costume contest and Megillah Reading by the Rabbi. The Sisterhood did this last year and we all had lots of fun.

Ron Kurtz, President of the Men's Club, is a Producer at the El Portal Theatre in North Hollywood. He has asked The Sisterhood to please put the word out that, in the beginning of February, tickets will go on sale for "Fiddler on the Roof." Usually, these tickets would cost \$59 dollars each; however, he is offering them to Temple members for \$35 dollars a ticket with \$5 dollars of that donated to The Sisterhood for getting the word out. The performances will be Wednesday through Saturday, February 3<sup>rd</sup>—6<sup>th</sup> at 8:00 PM and Saturday will have two performances; the first will be a matinee, the second performance will be at 8:00 PM. I will be sure it gets out on the One-Call by the end of this month.

Finally, I would like to let everyone know that The Sisterhood provided dinner for Family Promise on Sunday, December 27<sup>th</sup>. Jeanne Mintz organized the entire week and everything went right as scheduled. This is an excellent program to help families get back on track and gain control of their lives, and I know that St. Jude's depends on us to help out in every way we can with the Family Promise Week rotation.

Until We Meet Again,

Cathy Zitnick, Sisterhood President

***EDUCATION MATTERS -  
RSPA President, DAVID GOLDSTEIN***

After a relaxing Winter Recess, Religious School is back in full swing for our Spring 2016 semester. Our students are busily preparing for and learning about the holiday of Tu B'shevat, which the Religious School will celebrate on January 30<sup>th</sup>. The families of the 4/5 class under the direction of Room Parent Maya Lee will be preparing baskets which they will be presenting to each of the other classes containing items symbolic of the holiday including apples, oranges, dried apricots and almonds. On January 17<sup>th</sup> the students were excited to receive a surprise phone call from the Rabbi and Josh all the way from Israel where they have been leading a trip of 14 Temple members, we look forward to hearing more about their adventures when they return.

Our January Adult Education class featured a lively discussion on Astrology, as it relates to Judaism and the Kabbalah. Please join us for our next class on Tuesday, February 9<sup>th</sup> at 7:00 PM, the evenings topic will be "Angels".

Thank you to everyone who contributed to this year's "Virtual Gala" fundraiser. Donations are still coming in and, as of this writing, the event has raised \$1,276.00 of much needed funds for our Temple and Religious School. And a very special thank you goes out to Religious School parent Amy Lawrence for her generous donation of \$1,000.00 to this year's fundraiser.

**THE NEXT FRIDAY FUN FOR ALL PIZZA NIGHT WILL BE ON FRIDAY, FEBRUARY 5TH, FAMILY SERVICE, THE FIRST FRIDAY OF THE MONTH CONTINUES, STARTING AT 7PM.**

Hello, Temple Beth Emet Family,

The Board is requesting your assistance in filling many Oneg dates still available and would love for you to join our Oneg Committee as a Sponsor, Shopper and/or Setup/Cleanup Assistant.

**If every family sponsors just one Friday during the year, your special occasion would be recognized, as well as you would be performing an Honorable Mitzvah. If you already have sponsored an Oneg this year, thank you. If not, please choose one of the open dates, as well as an alternative date, in case of scheduling conflicts, to ensure your date and occasion can take place.**

When sponsoring an Oneg, we are doing a wonderful Mitzvah. By honoring or remembering someone special, we are at the same time giving to ourselves which too, is a Mitzvah. Presently, there are only a few of us bringing the enjoyment of Onegs to the congregants and guests. With your contribution of supplying the food items, and your helping hands, we can concentrate on providing the vital socialization and fellowship, an important component in the celebration of Shabbat, we as congregants may be **accustomed to engage in**. Onegs only take a little time and planning to supply the delicious food enjoyed by all, but yet it shouldn't be looked upon as a burden. Offer to assist someone with their Oneg and then they can reciprocate when it is your turn. If you feel overwhelmed, just ask a friend(s) to co-sponsor to help offset the cost, and preparation. If asked, many members will gladly assist you with your setup and cleanup.

If you are unable to be present on the date chosen, please *don't hesitate* to contact me. I'm happy to assist you in finding a substitute to switch with or rescheduling your date and in any way needed.

**No Shabbat should be left without an Oneg, but, unfortunately, without sponsors and funds this may happen.**

Thank you, in advance, for your support,

Laura Soroka

## LET'S TURN OUR POCKET CHANGE INTO REAL CHANGE!

Who is Just5Club? J5 is a nonprofit organization helping those who are silently struggling financially. In November of 2013, six young professionals came up with a simple idea; a concept that beautifully ties the act of **giving** with **uniting** individuals from all corners of the world. At J5, we believe in the power of unity, where each individual has the power to make a difference. When people are united with one common goal in mind, even the smallest amount can make a significant impact in the world we live in today.

### Here's how it works, it's easy!

1. Log on to [www.j5club.org](http://www.j5club.org)
2. Sign up to become a Just5 member with your credit card
3. Each month, your credit card is charged JUST \$5.
4. At the end of every month, all the money is gathered and donated to a family or individual in need of financial assistance. Whether it's an emergency of being evicted from one's home or payment for medical bills, such as cancer treatment, J5 is there to help!

\*100% of our members' donations go to the recipients; all other fees are sponsored from either the board or other donors!

\*Each month, we send out a J5 Newsletter, letting our members and other subscribers know exactly whom they have helped.
