"The Temple With A Heart"

"It is a tree of Life to them that hold fast to it and all its supporters are happy. Its ways are ways of pleasantness and all its paths are peace." Siddur

Have you been to our parking lot lately? When you leave your car and go into the entrance to Blum Hall, please look to your left. On the wall is a gigantic, stupendous, colorful.... Tree. It was designed, drawn and painted by members of our youth group which is known formally as Knesseth chapter AZA, with assistance from members of other AZA chapters.

Then when you enter the Temple and look into the sanctuary you are met with, as if confirming Judaism's commitment to life and natural growth, a second Tree of Life. This one is the curtain of the Torah Ark.

Both trees of life came to us as ideas from the minds of Temple members. Both were done as a voluntary exercise meaning we did not pay professionals to do any of the procedures. Both came because they saw the Temple as confirming the life affirming attitude of our Temple.

But trees of life are not only drawings on walls or on fabric. Trees of life are giving fruit at our Temple on a daily basis. From the youngest preschooler to our eldest attendee at services, we bring life with us. We seek to bring others the joy of

life. There is a song from the sixties, which has a most famous line is, and “One is the Loneliest number that you’ll ever know. . .” That quote is profound in its simplicity. Life must be created from one to another.

You all, my fellow members of Temple Beth Emet, have given life to others through your teachings, done not merely from books but from your actions and reactions and support and “noodlings.” We, if I can be so bold to join the group, have created a place where people want to live. Honestly, this has not all happened without conflict and negativity. But because we have planted the seeds to produce many trees of life, nurtured their growth through diligent care and spiritual nutrition, we are now able to see the fruits of our labors minimally in the two trees we gaze upon so fondly.

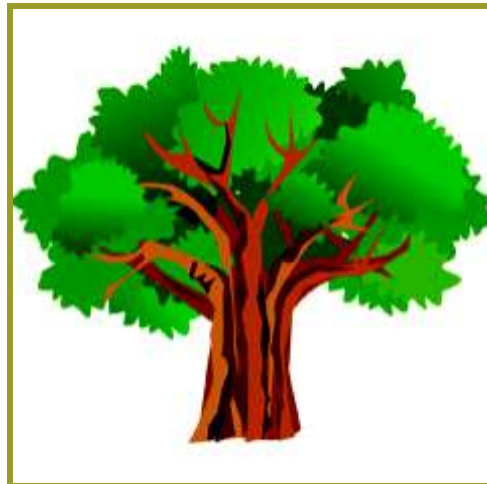

Let me let you in on a couple of secrets about the tree in the parking lot. While the gold leaves look beautiful in the day light, they really shine under the floodlights at night. The teaching is delicious. Temple’s commitment to making everyone’s life precious, is seen every day, but it really shines in times of darkness. We, all in our own unique TEMPLE BETH EMET way, go beyond the norm to bring life to all who come to us in need and go with us in triumph.

The other secret is our youth group acknowledgement of the role TBE has had in their lives. Notice on the trunk of the tree is the Mogen David with the heart inside, our symbol, ‘The Temple With A Heart.’ It is in gold, also signifying we have been there for them in good times and in difficult times. What a wonderful and unique way to say thank you to Temple. To the members of Kneseth, on behalf of the membership and lovers of Temple Beth Emet, let me say, “OH NO the THANK YOU goes to you all.”

Personally, Chai Readers, let me say thank you to all of you who have made our Temple a “Tree of Life” for all of us.

B’ahava,

Rabbi Mark

HAVE A HAPPY TU B’SHVAT!!!!

PRESIDENT'S MESSAGE – January 2018

On the last night of Hanukkah a group of us attended the second annual Hanukkah in the Foothills at the McGroarty Arts Center in Tujunga. Our own Lucy Levinsohn Berman was one of the key organizers of the event. Our Sisterhood presented a fill-your-own donut table, Rabbi Mark led the prayers over the Hanukkah candles and talked about the Hanukkah story.

At one time there were two Jewish congregations in the Verdugo Hills area, one Orthodox and one Conservative. The conservative congregation, the Verdugo Hills Jewish Center, closed in 1998. I do not know when the orthodox congregation closed, but it was some time prior. The closure of Verdugo Hills Jewish Center left the Sunland-Tujunga area without a Jewish congregation, but many former members and their children live in the area.

When Lucy made us aware of the event and suggested we attend, I was expecting a nice little gathering of maybe 40 or 50 people at best. The Center was packed. I estimate that there were probably around 200 people in attendance. There was food, stories, singing, dancing, a dreidel tournament, and drawings for prizes. I was completely blown away! There were older people, younger people, and lots of children. The people I met were friendly, welcoming, warm, and down-to-earth. (Just like us!) Rabbi and I talked about the how engaged the community was, and he remarked to me "They don't have a synagogue." I replied "They can have ours!" It would be wonderful to have an influx of diverse Jewish families to boost our family, to help fill the schools and the sanctuary, to add their energies, ideas, hearts, and hands to our Temple With a Heart.

Rabbi works a room much better than I do, and he told me several families were interested in visiting Temple Beth Emet. Hopefully we can fill a need in that community for a house of worship while filling our need to grow our family.

In November I wrote about several places of which people would say "I didn't know there were Jew in _____." I confess, I didn't know there were that many Jews in the Verdugo Hills! Which begs the question – where in surrounding communities might there be Jews without a congregation? We can also wonder how we can let them know about Temple Beth Emet and what we have to offer. How do we get them to visit us on a Friday night, or check out our religious school, or take a tour of our preschool?

It is up to all of us to keep our eyes and ears open, engage with Jews we meet, and invite them to visit us. Let us see if we can find people in those places we didn't know Jews lived, and bring them to our door. We know once they come inside, chances are very good they will become part of our Temple Beth Emet community.

-- IRA L. GOLDSTEIN, President

Happy TuB'Shvat!

Happy New Year! Wishing everyone a healthy, happy, and prosperous 2018.

Thanks to all of the Religious School families who attended our annual Hanukkah Celebration and Fundraising performance on **December 17th**. Our students did a great job performing traditional Hanukkah songs in English, Hebrew, Yiddish and Ladino and were treated to latkes following the show. Many of our students also reprised their performance later that same evening at the Burbank Towne Center Mall. Special thanks to Cherie Rye, Jessica Wertlieb, Leora Dreyfuss, Marleen Dreyfuss and everyone else who provided food and helped to organize the luncheon, which was served following the afternoon performance. I am pleased to announce that we were able to raise several hundred dollars in much needed funds for our Temple and Religious School. Hopefully next year we will see a bit more participation and attendance from some of the other Temple organizations and members as this is one of our congregations only major yearly fundraisers.

Our Adult Education series "What Does It Mean to Be Jewish?" continues on **January 9th**, the subject of our next class will be "Does It Take Ethics?" This year's series has been quite well attended and our December class featured a lively discussion on the question of "Does It Take Our Own Land?" Our series will be meeting monthly through the month of March and is open to all members of the congregation as well as any other interested members of the community; there is a requested donation of just \$5 per class with all proceeds going to benefit our Temple. Please plan on joining us for these lively and thought provoking discussions. We hope to see you in class.

A Place for Learning

We are offering an **Adult Education** class in the daytime, taught by Rabbi Mark Sobel! Please let us know if you are interested in attending a **daytime** class at Temple by contacting the Temple Office at 818 843-4787.

December was a very busy month for TBE's littlest learners. As you might imagine, the month was highlighted by Hanukkah! There was a story to learn, songs to sing and LOTS of keepsakes to design, create and send home...AND, a party to plan! We were all ready for the Winter Break and looking forward to the fun we'd have in January.

this is a sample of the Hanukkiyah created by our Monkeys. . .

and a sample of one created by our Lions. . .

Happy 2018!

The next holiday we will celebrate is **TuB'Shvat on January 31st**. If you're planning on planting trees in honor of the holiday, we definitely have the weather for it!

The TBE Sisterhood met on **Sunday, December 3rd**. The Meeting was well-attended.

Thanks to Ron Kurtz's generosity, TBE Sisterhood received suggested donations from 22 lucky people who enjoyed, "A Catskill Hanukkah." Due to a shortage of seats, my husband and I, along with several others, were part of the set and sat on the stage.

The gift wrapping service at Barnes & Nobel Bookstore began on **Tuesday, December 19th**. We were also there to provide the service on **Wednesday, December 20th** and again on **Friday, December 22nd**. All went well with that event.

On **Tuesday, December 19th at 6:30 PM**, TBE Sisterhood and Rabbi Mark Sobel participated in "**Hanukkah in the Hills**" at the McGroarty Art Center in Tujunga. There was dreidel spinning, fill jelly donuts, gifts crafted by Marlene Dreyfuss and many other activities. Rabbi Mark blessed the candles, said the Hanukkah prayer and spoke about the meaning of Hanukkah to the welcoming attendees. Thank you, Lucy Berman for all your hard work and for including our Temple in this program.

The Temple's Facebook page now has a tour of the Temple Gift Shoppe available to those who care to view it on Facebook. There are still many, many beautiful items for gifts and keepsakes available.

Please keep **Sunday, January 28th** open for an Ice Cream Social at the Temple. You will hear or read more details about the event in the coming weeks. One Call and also fliers will be available very soon.

The next Sisterhood Meeting is on Sunday, January 7th, at 10:00 AM..

Happy TuB'Shvat!

TBE Sisterhood President Fran Bourne-Johnson and Rabbi Mark Sobel lead the Menorah lighting at the McGroarty Art Center in Tujunga on the last night of Hanukkah!

Do You Have a Son and/or Daughter In College?

Temple Beth Emet has started a program to connect with our students attending a College. We would like to help them to continue their Jewish way of life and offer them additional support. This way, they will always have an open line of communication with our Rabbi, should they have questions or need direction; and we will remind them of their link to Israel and to keep connected to the Jewish Community. After college, we hope to have them join our Temple, as an adult.

Please send an e-mail and give me the following information:

The name of the Student;

Class Level;

Address;

Name of the University, and;

If the Student is a member of any organization or club on campus.

The Temple will send a care-package for each holiday, as a gift to the Student with a calendar of events at the Temple for each month. The Student will be invited to all events sponsored by the Temple. We would like to encourage the Student to return to the Temple as often as they wish; as the Temple would like to offer itself as a second home and place of Jewish learning. I look forward hearing from you!
