

## WELCOME LETTER FROM RABBI SOBEL

Dear Parents and Students of our School,

We are proud to be beginning our second year back with in-person at Temple School after the COVID outbreak. The sound of Children learning and making joyful noises was fantastic last year and I believe once the word got out will only increase. For all that and more, I thank you all who were here with us last year

For those of you who are joining us for the first time, I know you are in for the adventure and discovery of your lives. The teachers are not only knowledgeable, but truly creative and enjoy helping others find their Judaism. Your fellow students, those who have been here already will tell you we all strive to teach as well as learn from each other.

Parents, we value your children greatly! We take to heart what Jim Mattis, a past Temple Board member once said, "When you bring us your children, you are a GRAND donor to our Temple".

One of our ways of making the religious school grander is to bring back the Junior Choir. And because we believe the best way to learn Judaism is to experience it we have scheduled the Hanukkah Celebration, the Purim Carnival and the Passover Seder.

To a year of active learning! See you at the Blum Hall Door!

Shalom,

Rabbi Mark Sobel,  
Educational Director
